

# MK College Group Pandemic Guidance Autumn Winter 2021/22

## What to expect...

## Safety and testing measures

### Testing & Isolation

- All students should continue to test twice per week
  - kits will be available through tutors
- Employees across the Group must test twice per week
- Employees to continue to isolate if someone in their household tests positive
- All employees and students advised by Trace & Trace to isolate should do so until the advised date

### Risk Mitigation factors

- Mask wearing mandatory in all communal areas
- Tutor discretion on masks in classrooms where social distancing cannot be maintained - students are also able to choose to wear masks in classrooms if preferred
- Regular cleaning and hand-washing
- Prison Services will continue to take a cautious approach and will adhere to the guidance set by the Governor in their individual prison
- One-way systems to remain in place on campus
