

22/23 Barbering, Make-Up & Beauty Therapy Uniform Ordering

All our Beauty Therapy, Make-Up and Barbering students require the appropriate uniform so they can participate in the salons.

Students will need to come into college on Thursday 8th September to be fitted for their uniform which they will pay for and take away with them on the day.

The forms on the college website will show what each course requires, however please do not place any orders before the fitting day.

You should have received an email inviting you to book a timeslot for your induction on the same day – when you are in college on 8th September, you'll be directed to where you will be fitted for your uniform.

Kits are to be ordered online from College Kits Direct using the appropriate form on the college website.
