Our values

Our values represent the aspirations of our individual and collective behaviour. They guide our day-to-day decision-making. In order to achieve our vision, we will endeavour to put these values at the heart of everything we do.

- To inspire: Where everyone motivates, engages, challenges, and stretches each other
- To strive for excellence: Where everyone recognises their own potential and becomes the best they can be
- To demonstrate integrity in all we do: Where everyone is committed to being open, honest and doing the right thing
- To show respect: Where we listen, consider the views of others and value everyone
- To innovate: Where new ideas and thinking are generated around people, products and processes
- To belong: Where everyone feels free to be their authentic selves

The Governors of the College will review and update this public value statement as part of the review of the College's Strategic Plan.
