As a school we believe that all students should be as aspirational as possible. We hope that all students achieve to their full potential and have the opportunity to progress either to the next level of study, employment, apprenticeships or traineeships when they meet the requirements expected of them. Many of our students are successful and below are some of the potential destinations for students on completion of programmes:

Childcare	Health and Social Care
Employment in childcare settings	Employment in a variety of care settings
Apprenticeships in Early Years	Apprenticeships in Adult Care
University	University
Employment in schools	Employment in MK Hospital
Other courses in college	Other courses in college
	Higher Education in college

We very much hope that you make us your first choice for your next step in education and we wish you the very best in your remainder of secondary education.

Kind regards
