Introduction

- 1 Any organisation will benefit from rules that determine how meetings etc. are conducted. Such rules, normally referred to as Standing Orders or bye-laws, should be drawn up and agreed by the Board of the Corporation, be given to each member on appointment, and should be the basis on which the Chair of the Corporation and each of its Committees conducts meetings.
- 2 The legitimacy of a Corporation's actions depends upon compliance with powers and procedures that are established in the Instrument & Articles of Government and in the Corporation's own Standing Orders. These Standing Orders also apply to Wholly Owned Subsidiary Companies and its Directors.
- 3 Some procedural rules are effectively laid down by the Instrument of Government and any local practice must not conflict with these rules.
- 4 The Corporation's Standing Orders include both statutory rules and procedures laid down in the Instrument of Government and those agreed by the Board members since incorporation.
- 5 In order to assist in carrying out their responsibilities in an effective manner, members of the Corporation are recommended to familiarise themselves with the following which, where not supplied to them on appointment, will be available on request from the clerk or can be accessed from the Governors' Portal.
 - (a) College's Instrument of Government.
 - (b) College's Articles of Government.
 - (c) College's Strategic Plan.
 - (d) College's Financial Regulations
 - (e) Governor Training Guide
 - (f) Board of Governors Code of Conduct.
 - (g) Governor Role Descriptions

6. Wholly Owned Subsidiary Companies (WOS)

The legitimacy of actions is subject to compliance with:

- Company Law
- The WOS Memorandum and Articles of Association
- The Commercial Agreement between MK College and the WOS
- The Board Terms of Reference for the WOS

Any local practice must not conflict with these governing documents.

SECTION 2

PROCEDURAL GUIDELINES FOR STANDING COMMITTEES AND SCRUTINY GROUPS

A) Purpose and Objectives

The Board operate a governance model which includes:

- Regular Board meetings (8 or 9 times a year and a strategic meeting)
- Three Standing Committees
- Task and Finish Groups for additional scrutiny

The two major objectives are:

- to have short effective Governors' meetings and try to avoid debating everything twice
- to involve, so far as is possible, all Governors in the process of decision making.

B) Standing Committees

- (a) There are three Committees – Audit & Risk; Search & Governance; Remuneration.
- (b) Most Governors serve on at least one Committee. All Governors receive the minutes of Committees (apart from Remuneration). All Governors have a right to attend and speak (but not to vote) at any of the Committee meetings if he/she so chooses, with the agreement of the Committee Chair.
- (c) If any Governor wishes to put an item on the agenda of a Committee meeting, it should be discussed with the clerk and/or the appropriate Committee Chair. Minor items can be raised under 'Any Other Business'.
- (d) Papers are submitted to the Committees on relevant issues together with a suggested recommendation or resolution from the manager who has prepared the paper. Committees will normally resolve routine or minor issues and make recommendations on other issues if they are to be considered by the full Board of the Corporation. If one or more members of the Committee thinks that an agenda item should be sent to the Board, with a recommendation rather than being resolved, it then passes to the full Board for decision.
- (e) Minutes of the Committees (apart from Remuneration) are circulated to all Governors and the Committee Chair submits a written or verbal report at full meetings of the Board. Governors may, if they wish, comment on items which have been resolved by the Committees, and Committees may wish to take note of remarks of substance when they consider "matters arising" at their next meeting. In general, the full Board will note the decision which has already been taken by the Committees. The full Board of the Corporation will

consider recommendations from the Committees and make their decision.

- (f) Items which will normally come directly to the Board include:
 - (i) matters with strategic implications which require full Board engagement or decision making.
 - (ii) matters which do not fall within the remit of one (or more) of the Committees and which are more appropriately dealt with by the full Board;
 - (ii) matters which are of some urgency which arise after the meeting of the relevant Committee;
 - (iii) matters which require additional discussion because of new information after discussion by a Committee and which are of such urgency that they cannot wait until the next meeting of the Committee
- (g) Standing Committees operate in accordance with their Terms of Reference. Terms of Reference are reviewed annually, approved by the Corporation.
- (h) Approved or signed Minutes are published on the website (subject to the usual rules on confidentiality)

C) Scrutiny (Task and Finish) Groups (T&FG)

- a) The Board may decide to convene a T&FG for additional scrutiny and / or assurance.
- b) T&FG report and advise on specific issues. T&FGs meet for the duration of the task and are then disbanded. The Terms of Reference are agreed by the Board. A T&FG group may make recommendations (or report) to another Committee or to the Board.
- c) T&FG operate in accordance with their Terms of Reference. Terms of Reference are reviewed annually, approved by the Corporation.
- d) Minutes are not published on the website but are available for inspection by any person during normal office hours (subject to the usual rules on confidentiality)
